CURRENT AUCTIONS

44-9000-22 Power Charger Train Set

Kids big and small love trains--especially this one! A Power-Loc figure-8 is one of 10 special features that make Power Charger a truly powerful train set. Q-bid loves its giant 74" x 38" over and under layout. This gives the hi-nose GP38-2 loco a workout as it pulls an impressive load of 6 railroad cars. Snap-in bridge and pier set, as well as the easy-to-assemble stock pen are designed for the budding model railroader. An operating dual crossing gate tops off this action-packed set. All aboard!
